

Covid-19 Related Protocols Summer Camp 2021

- Self-assessment checks should occur every day at home before coming to participate in the camp.
- If anyone involved (players, parents, coaches and volunteers) have any of the symptoms associated with Covid-19, they must follow government guidelines and stay at home. Do not attend the camp.
- Hand sanitizer to be used every day before starting and at the end of the camp activities.
- Appropriate social distance should be observed and no handshakes and hugs.
- Every child should bring his or her own water bottle, not to be shared with anyone else.
- Football training sessions will follow FA grassroots guidelines.
