## **Covid-19 Related Protocols**

Self-assessment checks should occur before every training session.

If anyone involved (players, parents, coaches and volunteers) have any of the symptoms associated with Covid-19 must follow government guidelines and stay at home. Do not attend the training session.

If a player has been told that they cannot return to school for a certain length of time they must not attend the training session.

Hand sanitizer to be used before entering and when leaving the MUGA.

Every player should bring his or her own water bottle, not to be shared with anyone else.

Training sessions will follow FA grassroots football guidelines.
